Vacation Safety Tips

MARCH BREAK VACATION TIPS.

With airplane tickets in hand, suitcases packed and a buzz of excitement in the air ... it's easy to forget to leave your home looking "lived-in" while you're away. We want to help you do just that, so take a look at our [Vacation Safety Tips](#) before you leave.

Wishing you safe travels and warm weather!
~Kevin Leonard, President

PROTECT YOUR HOME AND FAMILY FROM SMOKE, FIRE AND CARBON MONOXIDE.

Have you ever woken up at night to the smoke detector chirping because the battery has died? Or stood under your smoke detector waving a towel to silence an alarm because you accidentally burnt toast? You know your house isn't on fire, but the detector doesn't. People often remove the batteries from their detectors out of sheer frustration. But that puts your property and family at risk. And it's against the law. Wouldn't it be nice if there were a "smart" smoke detector?

Now there is. It's called [NEST Protect](#) and Huronia is your source to get it.

NEST Protect is a smoke and CO detector that gives you verbal and visual warnings before the alarm sounds. A green ring in the centre of the detector means the batteries and sensors are in working order; a yellow ring means it's time to replace the batteries. Easy right?

NEST Protect also gives you verbal warnings if smoke, CO or heat is detected ("there is smoke in the kitchen"). You can then investigate, and if there's no emergency, simply wave your hand once under the detector to silence it. NEST Protect even sends messages to your smart phone or tablet; so even when you're out of the house, you know if CO levels are rising or if there's smoke so you're able to react before there's an emergency. NEST Protect also works in conjunction with the [NEST thermostat](#), so if CO levels rise, your gas furnace will automatically be turned off.

Give us [call today](#) to talk about how we can bring NEST Protect into your home.

HURONIA SPONSORSHIP DOLLARS HELP FUND THE DEVELOPMENT OF A NEW COMMUNITY WEBSITE.

Huronian Alarm & Fire Security Inc. is a proud sponsor of the Blue Mountains Community Watch.

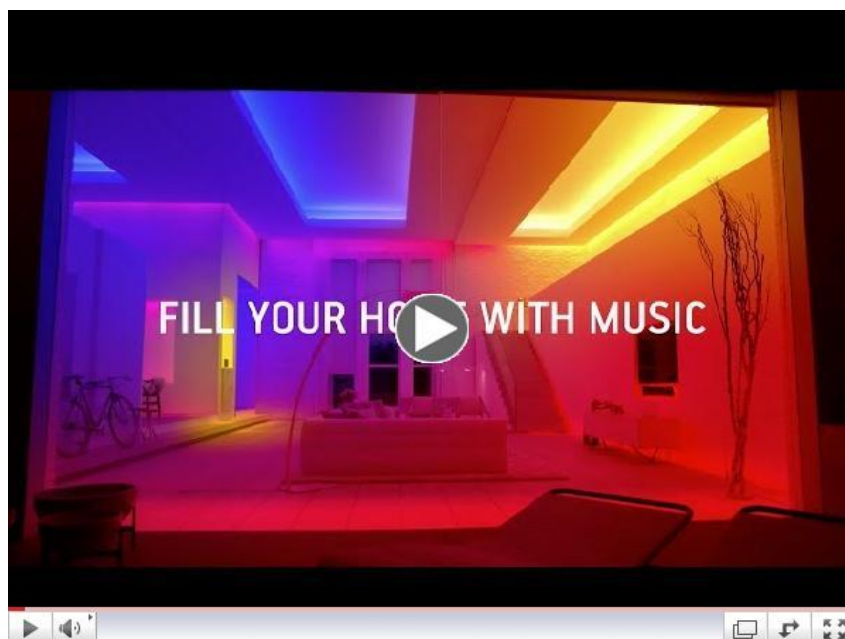

We are proud to partner with and sponsor Blue Mountains Community Watch. This group brings residents and businesses in our area together to reduce situations and opportunities where crimes may occur, through programs like: [Neighbourhood Watch](#), [Business Watch](#), [Rural Watch](#) and [Traffic Watch](#).

The [new website](#) will provide more detailed information about the various programs, provide safety and fraud prevention tips and suggest ways to keep your family and property safe and secure.

There's even information about a [non-emergency hotline](#) that the OPP has set-aside for citizens to call.

Stay up to date with the latest information and help reduce crime in our area. [Visit the Blue Mountains Community Watch website now.](#)

EXPERIENCE ALL THE MUSIC ON EARTH, IN EVERY ROOM, WIRELESSLY.

Huronian is proud to offer the SONOS Wireless HiFi System as part of our audio, video and home theatre product offerings.
