WE ARE HIRING FULL-TIME FIRE SAFETY TECHNICIAN (CFAA LICENSE) MUSKOKA, ONTARIO

We are looking for a highly motivated and responsible person who takes pride in doing quality work. Your primary responsibilities will be:

- Inspection, verification of installation of fire alarm & life safety systems
- Installing, repairing, servicing, inspecting fire alarm systems/equipment and commercial kitchen suppression systems monthly/annually
- Assisting in the instructions of subscribers in operational procedures and care of equipment
- Be well informed and up-to-date on all current codes and regulations concerning the fire alarm industry
- Provide the customer with an informative summary of work to be done or recommendations for fire system following inspection
- Read and interpret blueprints, diagrams, submittals, specifications, schematics, and operational/product manual
- Participate in on-call emergency hours as needed and take part in the normal on-call rotation for after-hours emergency service (fire alarm and security alarm systems)
- Interface directly with the salesperson to verify job quotes and to answer questions and handle both internal and external customer problems in a timely manner, and when necessary, draft written responses or replies by phone, e-mail, fax or mail
- Provide consistently high levels of customer service
- Must be proficient in the applicable ULC standards, building, fire, and electrical codes

Qualifications:

- Canada Fire Alarm Association (CFAA) Technician License
- Proficient in computer use and networking
- Clean Criminal Record Check & Driver's License
